To live content with small means; to seek elegance rather than luxury, and refinement rather than fashion; to be worthy, not respectable; and wealthy, not rich; to study hard, think quietly, talk gently, act frankly; to listen to stars and birds, babes and sages, with open heart; to bear all cheerfully, do all bravely, await occasions, hurry never; in a word to let the spiritual, unbidden and unconscious grow up through the common. This is to be my symphony.—Wm. Henry Channing.

Mr. Haskell has received a letter from the Secretary of the Pacific Coast Conference with the announcement that the Pacific Coast Unitarian must have 300 more subscriptions, otherwise its income for 1904-05 will not equal its cost. This paper is the official organ for the Coast, and should be supported. Hand your subscription ($1.00 per year) to the clerk.

Next Sunday will be Sunday School rally day in this church. The children of the Orphans' Home will be present and the Sunday School pupils will take part in the exercises. The beautiful service of consecration for young children will be administered. Parents having children they wish christened will please speak to the Superintendent of the School, Rev. E. T. Wilkes, or to the minister. There will also be the reception into Church fellowship of some of the older members of the School.

Notices for the Calendar should be sent to Miss B. I. Smith, 245 South Grand avenue, Tel. 7759, by Thursday, 7 p. m.

The lecture to the club last Tuesday evening on "Egypt" by Miss A. E. White, was much enjoyed. The pictures were marvelously clear and they, with the story as told by the lecturer, made those present well acquainted with the Pharaohs, although they lived thousands of years ago. The members of the Club hope to hear Miss White again on another subject.

"If you mean to act nobly, and seek to know the best things, which God has put within the reach of men, you must fix your mind on that end, and not on what will happen to you because of it."—George Eliott.

SPECIAL NOTICES

In the attempt to reconstruct this church and place it upon a sound and permanent basis, our first efforts were directed toward establishing its position as a leading factor in developing and liberalizing the religious life of the community. This we have accomplished. Our Sunday services now represent the best that the city affords in progressive thought, broad religious tolerance and artistic excellence.

This has only been accomplished at considerable expense, and our next effort is to make the revenue of the church meet this expense. We ask you who enjoy the unusual privileges of this church, whether Unitarians or not, to co-operate with us and subscribe toward the maintenance of the church as generously as you can. We ask you to do this voluntarily, so that we, as Unitarians, may be spared the necessity of assuming the mendicant attitude or employing the extortionate methods too prevalent in our churches.

Subscribers or those desiring seats will find the Clerk in the South vestibule.

By request Dr. Howard will repeat his sermon, "The Message of Micah."

Dr. and Mrs. Howard are at home to the members of the congregation and their friends on the first and third Wednesday of each month, from 3 to 6. Their residence is 2823 Orchard Avenue.

2:30—Regular monthly business meeting. There will be no meeting of the Current Topics Class on December 20th.

SPECIAL NOTICES

In the attempt to reconstruct this church and place it upon a sound and permanent basis, our first efforts were directed toward establishing its position as a leading factor in developing and liberalizing the religious life of the community. This we have accomplished. Our Sunday services now represent the best that the city affords in progressive thought, broad religious tolerance and artistic excellence.

This has only been accomplished at considerable expense, and our next effort is to make the revenue of the church meet this expense. We ask you who enjoy the unusual privileges of this church, whether Unitarians or not, to co-operate with us and subscribe toward the maintenance of the church as generously as you can. We ask you to do

this voluntarily, so that we, as Unitarians, may be spared the necessity of assuming the mendicant attitude or employing the extortionate methods too prevalent in our churches.

Subscribers or those desiring seats will find the Clerk in the South vestibule.

Rev. Maxwell Savage of Redlands will occupy the pulpit next Sunday morning.

The Unity Club will meet on Friday evening December 21st.

Dr. and Mrs. Howard are at home to the members of the congregation and their friends on the first and third Wednesday of each month, from 3 to 6. Their residence is 2823 Orchard Avenue.

The Young People's Club have organized a "Santa Claus" Association, and will on Sunday, Dec. 23, distribute Christmas remembrances to those who are not expecting such. All those interested in helping, please leave your name and address with any of the members. Donations of all kinds gladly received.

A Christmas Gift.

The little booklet containing three of Dr. Howard's Sermons is out at last. The book is very attractively bound—the publishers declare it one of the best books of the year; both inside and outside. It sells for eighty cents, and copies of it will make charming Christmas presents. Dr. Howard has presented the proceeds to the Sunday School, and it is hoped there will be a vigorous demand. Orders may be given to Miss Kip.

Don't forget the Children's Play "THE LAND OF NOD," (60 children on the stage.) Friday evening, Dec. 14th. Admission 25c, Children 15c. Proceeds to pay for the Sunday School Christmas.

Even a number of small subscriptions, if regularly paid, will amount to a considerable revenue. For this reason the Trustees will welcome all contributions, large and small, to the permanent income of the church.
